“ My memories of my brother-in-law this wonderful man are many. We went to the beach as a family. Many Christmas parties at my home wearing his favorite hat. We missed him when he was unable to come. These are a few. My most precious memories are spending time with him for the last few months. He would talk about being in the Navy and his job. We also through a little politics in there. He would always thank me for helping him. I would always respond you are helping me with the loss of my beloved Jason. He was kind to my son Doug and taught him a lot about life. He was a family man. A devoted husband, father and grandfather. He will be missed by all. May he rest in peace with the Lord and Marcus.

You are loved and will be missed.
