“ So sad to learn today of Matt's passing. Am a BlueLinx employee and I didn't know him personally, but he always spoke in the halls. May he rest in peace, God bless.

“ This is to Matt:

Sweet brother. Out of 56 years, there are way too many memories to have to choose. Just know that I love you more than I can ever express. I will miss you until I meet you again. I will pray for your eternal soul and for your family daily. I will honor you by loving and caring for your family to the best of my ability. I will continue the legacy of you by my memories and sharing those memories and the story of your life with others.
