“ Granny,  
My memories will always remain in the foremost of my mind.

All,

For 40+ years we repeatedly went over family history, stories, where everyone was buried and visited a lot of grave yards in VA, TN and KY. Her Family Tree! Never did I believe for a moment, such a wonderful Granny would leave us after a short 98 yrs. I am sure most of us believed Granny would live forever. I will always be thankful for the 54+ yrs of common sense, wisdom, advise (spoken so softly), and her unequaled ability to be Granny to so many. Some folks earn their wings while going through life, I am certain Granny had her wings, long before Sep 7, 1916. Granny, your missed, but not forgotten as long as I have one breath, clear mind and hope to live as you have, love always your oldest Grand Child.

“ Doug, Joan, Judy and family,

Aunt Thelma was someone I loved my entire life. She was a support to my whole family in so many ways for so many years. Whenever I got to Georgia I would stop...and never miss calling on her birthday...she always said she had a list and was checking off the names as we called. 40+ years ago she helped me with my wedding dress.... Years and years of so many good memories... Love and miss you!!
